Subject: PM 1550 *Flavor Generating Article and Method for Making Same;* PM 1551 *Reconstituted Tobacco with Konjac Glucomannan as Binding Agent;* PM 1655 *Flavor Generating Unit for Flavor Generating Article;* and PM 1697 *Electrical Smoking Article with Improved Flavor Delivery and Method for Making Same*

Dear Jeff:

We enclose a copy of a letter dated March 18, 1993.

The intent of the letter was to add to PM 1551 a claim reciting a cartridge standing alone. If you can edit it to recite even less about the environment with which it cooperates, please edit away.

This sort of claim also may affect PM 1697, currently in preparation.

Please call at your convenience upon considering the matter.

Very truly yours,

Charles E. B. Glenn/ds
